

On October 7th... Make Your Vote Count

California's historic Statewide Special Election is Tuesday, October 7th.
Make sure your vote counts by knowing these key facts:

- ✓ If you have received an absentee ballot, or if you've requested one, follow through and cast your vote. The election is still scheduled for October 7th.
- ✓ Requests for absentee ballots must be made by Tuesday, September 30.
- ✓ Polling place locations may be different than where you voted previously – check the back of your Sample Ballot to find your polling place location.
- ✓ There are two questions regarding the recall – you may vote on either or both.
- ✓ The 135 replacement candidates are randomly ordered – you may vote for only one replacement candidate. Your Sample Ballot shows the order of replacement candidates – bring it with you when you vote.
- ✓ Remember that two statewide ballot measures – Propositions 53 and 54 – appear at the end of the ballot.
